

Morningside Neighborhood Association Meeting  
Minutes of 6-8-2011

Meeting was called to order at 6:32 pm.

**PENDING APPROVAL**

Introductions were made.

Approval of minutes for April and May were approved.

Officer Johnson gave a report on crime.

Doug Lethin from C&R Remodeling presented a re-zone plan for the property at 1150 Vista Ave. SE. They offered to buy the house at this location and plan to use the property for a show room and offices. The board voted and passed his plan. The board had no objection to this rezoning. Pamela will write letter to planning.

**Traffic:**

We would like Kevin Hottman to come to our next meeting, to discuss the Pringle Road speed Issue and the input of the island for safe passage at the Leslie School ball park crossing.

**Land Use:**

Geoff James, reported that DEQ is doing a report on the Simpson Hill property. We are awaiting the results.

The board voted and had no objections to the re-zoning of the Fairview Industrial Park re-zoning. For that piece of property.

Sam Hall reported that there is a new Land use mediation that formed. It sounds like it would have a lot of potential.

James Santana would like an update with Kevin Hottman on the bike land proposal . Jason will speak to Kevin about this.

**Parks:**

A neighbor reported that the pathway to Clark Creek Park from Lorian Lane is over grown. Pamela will let the park system know and have them come out.

A neighbor reported that there is no garbage can at Hilficker Park for the offering of the mutt mitt droppings picker upper. Pamela will also let the parks department know about this.

We would also like to have a look at the morningside neighborhood parks master plan. There is a plan for a resevior to be build in Morningside. We would like to see if there could be a park along with that. Pamela will ask for the parks department to come to the next meeting.

Pringle Creek Watershed Council: nothing new to comment on.

South Salem Connectors: No present at meeting,

**City Council Report:**

The city is looking at a NO SMOKING policy for all city parks.

Neighborhood Liaison Report: Jason followed up on questions from last meeting.

Announcements:

AT&T is just now starting the application for the new tower on the Scottish Rite property. It will just be a tower and not and camouflage.

The Morningside Methodist Church is having a Bar-B-Que on the Forth of July.

The church also supported the HOPE food Station by handing out 400 bags for food. The received 40 bags back for Hope Station.

Muriel Meyers commented that she has re-designed our web page. It's now updated and has two surveys on the site that people can fill out. Thank you Muriel.

CERT:

We are looking into a class for September. Pamela will work with Roger Stevenson to set up the class.

Officer Elections:

The board re-elected the same officers. Pamela Schmidling for Chair, Lloyd Chapman for Vice-Chair and Tina Hansen as Secretary. Voted and approved. Congratulations.

We set our annual goal. Keeping the old one and adding: revise and adopt the Morningside neighborhood plan.

We also reviewed the roster and made any changes that were appropriate.

We will hold a meeting in July to follow-up on on going business.

The Board voted on Having Pamela and Lloyd deal with the communications funds that expire on June 30<sup>th</sup>. If there is any amount left over, we will try to hold onto those funds for next year.

Meeting was adjourned at 8:00 pm
